## **3. Old Business**

- a. Monroe Street (Collert) tabled to next meeting
- b. KC Trucking Jeff Osment stated that Ken Calender had diverted the sewer line from his new building to his existing sewer line. The Township allowed him to combine the property into one large parcel. Jeff talked to the Township about the C of O and was advised that they were not going to get involved. Will not let the Village cap off the sewer line. Couple of things that can be done #1. Get an injunction against KC Trucking, but would be hard because the Township let him combine the parcels together. Bill Reckinger brought up that the reason for the extra charge was to help with the maintenance of the plant. Why not just charge the Township for all sewage that comes into the plant and let them worry about collecting from the people in the Township. Discussion and decided to hold a sewer committee meeting once a week until it is resolved on how to charge for the taps outside of the Village. Meeting on 4-26-2013 at 1pm at the Village Hall.
